

2019 Member Scholarship

This scholarship provides financial assistance to PSE members who wish to enhance their skills or pursue additional educational goals. Scholarships are awarded based on many factors, including financial need, academic achievement, leadership and service.

Eligibility

Applicants for PSE scholarship awards must meet the following requirements:

- Be a PSE member in good standing.
- Plan to enroll or participate in the educational opportunity at an accredited institution within a 12-month period beginning June 2019. Accredited institutions include universities, community colleges, trade and vocational schools, as well as courses offered through a local Educational Service District (ESD), driver-trainer, mechanic, food service, office professional and other professional certification courses, including pursuit of a teaching certificate.

Deadline

The completed application form and supporting information must be returned to the PSE office in Auburn postmarked on or before March 1, 2019.

Checklist

You may wish to use the attached application checklist to ensure you have provided all elements of the application.

Selection Process

Qualified applications are reviewed by the PSE Scholarship Committee. The Committee is comprised of classified school employees who review applications and select winners. The Committee gives the greatest amount of weight to financial need (35 points). Other criteria, in priority order, include: essays, union activity, letters of recommendation (15 points each), activities, honors and awards, and general appearance of materials (10 points each). Winning applicants will be notified by email by June 1, 2019.

Fund Disbursement

The scholarship awards will be available June 2019. Scholarship funds are issued by check, drafted to the educational institution, and mailed to the recipient for use during the academic year. The scholarship may also be issued as reimbursement for tuition, lodging and mileage.

PSE reserves the right to revoke the scholarship if it is not used within the 12-month period beginning June 2019, or if the award is based on inaccurate information. Unused scholarship funds will be returned to PSE.
