---

---

---

---

Presenter

Jennifer McMaster, Administrative Assistant at  
Tahoma School District, Tahoma Chapter  
Treasurer, State PSE Secretary

- I was recently hypnotized to overcome my fear of flying and it worked!
- We are stronger together – that’s what PSE means to me.

---

---

---

---

---

---

---

---

---

---

Presenter

Robin Avery, IT Manager, State Office, Auburn

- PSE Staff member for 16 years
- Crazy Pug Lady!

---

---

---

---

---

---

---

---

---

---

### Learning Objectives

- ☁ You will gain an overview of the cloud.
- ☁ You will be able to explain how cloud technology works.
- ☁ You will be able to explore cloud platforms with confidence.
- ☁ You will have the ability to implement what you have learned in this workshop - personal, professional, chapter.

---

---

---

---

---

---

---

---

### How many of you have used the Cloud?

- Facebook
- Gmail
- Hotmail
- Online banking
- Instagram
- Outlook
- Twitter
- Pinterest
- Snapchat
- Yahoo

---

---

---

---

---

---

---

---

### What is the Cloud? Where is it?

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

FaceBook Server Farm- Sweden

---

---

---

---

---

---

---

---

It's located deep in the woods of northern Sweden, 70 miles from the Arctic circle

---

---

---

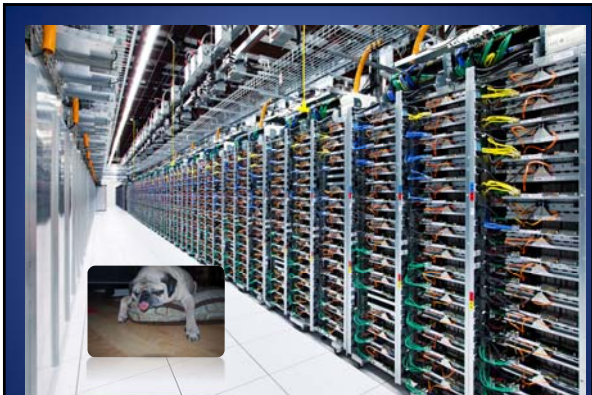

---

---

---

---

---

---

---

---

---

---

---

---

---

SAAS  
(Software as a Service)  
Google Ecosystem which includes  
Google docs and Google sheets,  
Microsoft Office 365

---

---

---

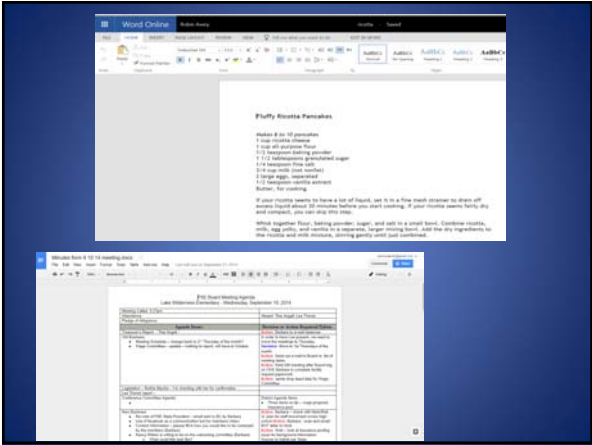

---

---

---

---

---

---

---

---

---

---

---

---

---

Demonstration of collaborating on a Sheet in Google

---

---

---

---

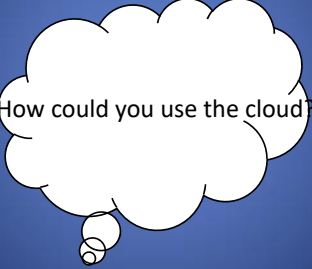

---

---

---

---

**Break out**

How could you use the cloud?

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

**What's next?**

- Where can you find more information?
- Who can you go to for help?
- Can you share what you have learned with others?

---

---

---

---

---

---

---

---
