PROPOSAL # 2**

**ARTICLE X

Section C3, Filling of Vacancies**

5 Upon receipt of notification of vacancy, the President shall direct that a zone council meeting be
6 held and that the council elect a successor for the remainder of the vacant term. The President
7 shall give a minimum of ten (10) calendar days' notice of the council meeting by telephone and
8 first class mail, same-day postmark to each member of the council. PSE will post a public
9 announcement on the official PSE website or notify members of the zone electronically of the
10 vacancy and the time frame for nominations.

RATIONALE: The current wording in the bylaw inadvertently creates a situation where only chapter presidents would be notified of vacancies and not the general membership which would preclude someone from running because of lack of notification.

FINANCIAL IMPACT: None
